CPD workshop 2026

Friday 6 November 8:45am–4:30pm | 4.5 hrs RP + 2.5 hrs MO

Sessions	What to expect
Worst case, best lesson	Quick-fire paired discussion on a case that didn't go to plan, and what it taught you
Your patient: implementing an auditable change (I)	Practical low-vision initiative you can introduce in your practice within two weeks, with a SMART measurement plan
Ethical hot seat	Group scenarios on consent, disclosure and cultural safety, tested against real pressure points
What's new in CPD	Brief update on what you need to know for CPD success in 2026 and beyond
Virtual practice visit	Structured reflection on your own practice, working toward a 4-week follow-up
Collaborative surgical coaching	Peer coaching using video review and live polling
Your patient: implementing an auditable change (II)	A second, practice-specific low-vision initiative and audit
M&Ms	Facilitated morbidity and mortality case discussion

Breaks (arrival tea, morning tea, lunch, afternoon tea) run between sessions
